## Principal's foreword

### Introduction

My name is Darrin Edwards and I am proud to be the Principal of James Nash State High School. Located on the northern side of the growing township of Gympie, James Nash State High School is a Band 10 secondary school in the North Coast Educational Region and services the communities of Gympie, Rainbow Beach, Tin Can Bay, Mary Valley, Tiaro and Kilkivan.

Gympie is the administrative, heritage and cultural centre of the Gympie Region. Gympie boasts a tradition that few areas in Queensland can offer. A city of 16,000 people, Gympie has the warm hospitality of a country town with all the conveniences of a modern city. Known as the 'Town that Saved Queensland', Gympie's proud heritage began in 1867 with the discovery of gold by prospector James Nash at the site now occupied by the Town Hall.

The school's core purpose is to "*Inspire Learning*" and our goal is to be a hub of educational excellence for all learners. The core values that underpin our operation are: *Respect, Responsibility, Honesty/Integrity, Excellence, Safety and Equity/Fairness*. Our school's Strategic Planning and Performance Reporting are referenced against seven Key Planning Areas. They are: Strategic/Leadership Planning, Curriculum Planning, Effective Teaching & Learning Planning, Facilities Planning, ICT Planning, Workforce Planning and Student Services Planning.

**School progress towards its goals in 2014**

Improving student performance is critical to our success as a high performing state high school. The measures of this success include the performance of our students at key junctures including NAPLAN in year 9 and Exit in year 12. I am proud to share with our community the successes of our school for 2014.

# 2014 Operational/Improvement Plan

## STRATEGIC DIRECTIONS (2014-2017)

Our Core Purpose is: **To Inspire Learning**  
 Our Goal is: **To be a hub of Educational Excellence for all Learners**

Therefore we will be focused on:

- **Positive relationships around learning**  
 Relationships between staff, students and parents will demonstrate care, safety, discipline and happiness. Calm, open and positive communication will underpin all relationships
- **Delivery of high quality classroom practices integrating current technology**  
 Implementing high quality classroom practices reflecting our school-wide pedagogy, seamlessly integrating modern technologies
- **Promoting excellence in behaviour and performance in our community**  
 Establishing a proud, respectful and diverse culture that values and accepts excellence through pursuing high performance by staff and students and fosters learning partnerships with the community
- **Facilities and grounds**  
 Creating an environmentally sustainable yet pleasant ambience throughout the school
- **Providing curriculum pathways for either earning or learning (employment or further education)**  
 Maintaining a high quality, diverse and differentiated curriculum ensuring future employment options in a rapidly changing workplace
- **Valuing and celebrating difference and diversity**  
 Recognising and responding appropriately to individual learning needs within the learning culture of the school and the community
- **Developing a sustainable Junior Secondary culture**  
 Effectively integrating and transitioning students through the Junior Secondary school community guided by agreed principles, specifically strong leadership, fostering a distinct identity, local decision-making reflecting local needs, quality teaching practices relevant to the cohort, the student's well-being and authentic parent and community involvement.

## 2014 PRIORITIES:

1. **Improve Student Performance Data with a specific focus on:**
  - improving student reading, numeracy and writing performance across the school through the development of School-wide agreed strategies to teach writing and an "Intelligent" data system to monitor improvement.
  - a minimum of 85% of students in all subjects achieve C or better.
  - increasing the percentage of students in the upper two bands of NAPLAN Writing and Numeracy to a minimum of 20%
  - percentage of students receiving OP 1-5 at 25%
2. **Implement the National Curriculum requirements in English, Mathematics, History and Science for Years 8,9 and 10.**
3. **Embed Flying Start-Year 7 into Junior Secondary planning strategies into all Key Planning documents and develop Explicit Instruction expectations across all Junior Secondary classes.**
4. **Continue with the implementation of our Effective Teaching and Learning Plan with a continued focus on alignment of James Nash's School Wide Pedagogy.**
5. **Student Behaviour Management with a focus on promoting and recognising positive behaviour and all students above 90% attendance standards. Review our RSBP to guide our maintenance of a safe, calm and disciplined learning environment.**

### School-wide Key Targets for 2014

## Our school at a glance

### School Profile

**Coeducational or single sex:** Coeducational

**Year levels offered in 2014:** Year 8 - Year 12

**Total student enrolments for this school:**

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2012	933	465	468	89%
2013	965	471	494	90%
2014	1054	536	518	88%

Student counts are based on the Census (August) enrolment collection.

### Characteristics of the student body:

James Nash State High School had an enrolment in 2014 of approximately 1054 students who are drawn from a variety of small to large feeder primary schools.

Our students are our greatest resource and our greatest asset. Our classrooms are the most important environment for learning and are characterised by high expectations of student behaviour and respect for the rights for people to learn.

As a result of our focus on learning, students at James Nash High School are recognised for their academic excellence.

At James Nash we are focused on developing a school with positive relationships around learning. This will mean that relationships between staff, students and parents will provide care, safety and happiness.

### Average class sizes

Phase	Average Class Size		
	2012	2013	2014
Year 8 – Year 10	20	21	21
Year 11 – Year 12	15	16	17

### School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2012	2013	2014*
Short Suspensions - 1 to 5 days	197	161	214
Long Suspensions - 6 to 20 days	8	10	4
Exclusions <sup>#</sup>	3	1	6
Cancellations of Enrolment	1	0	0

<sup>#</sup> Exclusion is an abbreviated title which reflects suspensions with recommendations for exclusion, which may result in an exclusion or be set aside through an appeals process.

\* Caution should be used when comparing 2014 data with previous years SDA data as amendments to the disciplinary provisions in the Education

(General Provisions) Act 2006, passed in late 2013, created a time series break.

## Curriculum offerings

### Our distinctive curriculum offerings

The James Nash Curriculum Plan is comprised of a Junior School Curriculum Plan, a Senior School Curriculum Plan and Whole School Literacy/Numeracy Plan. James Nash offers a distinctive, differentiated middle-schooling curriculum model where we believe that an appropriate match between student learning styles and class groupings is critical to student achievement.

#### Junior School

All class groupings were available to students in years 8 and 9 which implement the Queensland Curriculum Assessment and Reporting (QCAR) Framework to deliver cohesive learning programs which help students achieve deep levels of understanding. These groupings include:

#### Extension Programs:

*Extension Plus* – designed to challenge students with a demonstrated capacity for excellence and a willingness take learning risks with a range of subject matter.

*Extension* – designed to challenge and extend students who enjoy school, have an aptitude for schooling and are self-directed learners.

#### Mainstream Programs:

*Essentials* – reduced size class group designed to cater for the majority of students.

*Active* – designed to accommodate students who prefer physical activity as their medium for learning.

*Digi* – designed to accommodate students who best learn in an electronic digital environment.

*Learning Support* – small class designed for students with learning difficulties

#### Structured Learning Programs:

*Structured Learning* – designed for ascertained students who would benefit from small group teaching and learning with specialist teachers to assist with success in the curriculum and assessment process.

James Nash also has a long established learning partnership with the University of the Sunshine Coast to offer Middle School Excellence Programs in Creative Writing, Mathematics and Science.

#### Senior School

Subject offerings are structured to meet the needs of both the tertiary-bound and vocationally orientated students. An extensive curriculum comprising of 34 QSA Subjects and 6 VET Qualifications is offered.

Extension programs are available to senior students excelling in English, with the opportunity to study English Extension (Literature) in Year 12.

Subjects available for study in the Senior School included; English, English Communications, English Extension (Year 12 Only), Prevocational Mathematics, Mathematics A, Mathematics B, Mathematics C, Biology, Chemistry, Science in Practice, Physics, Ancient History, Economics, Social and Community Studies, Geography, Modern History, Physical Education, Physical Recreation (Recreation Studies), Visual Art, Practical Art, Drama, Music, Home Economics, Hospitality Practices (Intro To Hospitality), German, Graphics, Technology Studies, Industrial Skills (Building And Construction), Industrial Skills (Engineering Manufacturing), Industrial Skills (Practical Applications), Accounting, Business Communication & Technologies, Information Processing And Technology, Legal Studies, Certificate I in Hospitality, Certificate II & III in Tourism, Certificate II in Business, Certificate II in Information Digital Media & Technology, Certificate II in Workplace Practices.

#### International Program

James Nash is an accredited International School who proudly hosts International students from counties across the world. Our International Program builds our school's cultural wealth and provides our students with an International perspective on curriculum topics.

### Extra curricula activities

We offer a varied, dynamic and connected Curriculum. We recognise that much valuable learning happens in places other than the classroom. In addition to the respected academic curriculum, we offer a great number of engaging and challenging opportunities for students to develop their talents and special skills.

All students are encouraged to participate in extra curricula activities as we understand that these will contribute significantly to the student's personal satisfaction and enjoyment of school.

### **How Information and Communication Technologies are used to assist learning**

At James Nash State High School our goal is to provide world-class ICT infrastructure and support, enabling excellence in teaching and learning. This goal is founded on the imperative to reform education and training in Queensland, toward realisation of the Queensland Government’s Smart State agenda. It will function to move our learning community to those new teaching and learning processes which will deliver an education appropriate to the “Information Age” of the 21st century.

Our planning continues to recognise the desirability of access to computers in many/most classrooms and the possibility of students having their own portable computers or other technologies (privately or school purchased). The school has embedded a 1:1 Mobile Device Program across the school, providing IT native students ICT tools they are familiar with and will support their learning.

Cyclic upgrading and flexible innovative approaches to the use of ICT’s are key features of the implementation of this plan.

## Social Climate

James Nash Student Services program aims:

To enable all students to develop self-confidence, optimism, high self-esteem, respect for others and achievement of personal excellence.

To ensure effective responsible student behaviour planning and strategies are identified and implemented to create a safe, supportive and productive learning environment.

To provide appropriate co-ordinated support strategies for all students whilst ensuring that gifted and talented, Aboriginal and Torres Strait Islander students, students with Learning Disabilities and students with other disabilities are identified and supported.

To supplement the school's curriculum (academic outcomes) plan with the provision of social emotional, health, cross-cultural and spiritual learning programs.

The student support service team at James Nash State High School comprises of the Year Level Co-ordinators, Guidance Officer, HOSES, School Nurse, School Youth Co-ordinator, Chaplain, Learning Support Co-ordinator and Structured Work Placement Officers.

## Parent, student and staff satisfaction with the school

There are many measures we utilise to allow us to reflect on the level of satisfaction that our staff, parents and students feel with regard to James Nash SHS. For these measures we have set improvement targets that far exceed those systemic targets set by Education Queensland. Our current performance predominantly exceeds both school and systemic targets. This indicates to us that all of our stakeholders are more than satisfied with the general performance of our school. The key measures, targets and school performance are outlined in the table below.

### Involving parents in their child's education

At James Nash we believe our role is to assist parents with the education of their child. We aim to provide the highest quality educational opportunities and strive to work closely with parents and the wider community to ensure we are meeting your expectations. We believe the greatest factor that can affect the performance of students at school is parental involvement and it is for this reason we encourage close links between school and home.

Parents are involved in school governance through School Council, Ladies Auxiliary (meet at 7:30pm 1st Wednesday of every month), Parents and Citizenship Association (meet at 7:30pm 4th Tuesday of every month) and through representation on our Key Planning Area Groups and the School Council.

We invite parents into the school to discuss their student's progress at any time but we offer two formal occasions in the school year for parent/teacher interviews and issue written reports 3 times a year.

We maintain a vibrant school website and publish our school newsletters fortnightly and post them electronically to help provide parents with the highest levels of communication.

This School Annual Report aims to provide you with information about our great school and provide a forum to celebrate the wonderful achievements of our students.

### Reducing the school's environmental footprint

- James Nash SHS continued with its Clean and Green program
- Select staff and students complete TAFE course "Sustainability in the Workplace"
- JNSHS Environmental Committee holds 2 successful fundraising BBQs.
- Facilities Reference Group grows to include whole school sustainability agenda and efforts.
- JNSHS Environmental Committee implements staff room recycling program.
- JNSHS Environmental Committee planted, cared for and harvested fresh organic produce in the Science Garden.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2011-2012	341,540	3,282
2012-2013	323,205	5,497
2013-2014	230,341	2,399

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

## Our staff profile

### Staff composition, including Indigenous staff

James Nash has professional and committed staff who strongly believe in building positive relationships between themselves, students and parents. The school has an excellent blend of experienced and new staff all of whom are focused on ensuring the best possible learning opportunities for students. We believe in building positive relationships around learning and accept that we too need to be learners to be effective teachers.

2014 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	89	50	<5
Full-time equivalents	83	33	<5

All teaching staff are engaged in learning and development activities around our agreed model of excellence in teaching and learning.

A professional commitment is expected in all that we do, and we invite parents to communicate directly with us if they wish to clarify any issues with regards to your child's progress. The school comprises 83 teachers and 45 non-teaching staff and we access many additional support personnel from the local community.

### Student attendance distribution

The proportions of students by attendance range.

\*The method for calculating attendance changed in 2013 – care should be taken when comparing data after 2012 to that of previous years.

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

The school has introduced “IDAttend” to allow text messaging of absent student alerts to parents. Support and intervention is provided to identify students who have inconsistent or concerning attendance patterns.

Many strategies are used by our school to provide appropriate consequences for unacceptable student behaviour. The use of School Disciplinary Absences - suspensions, exclusions and cancellations of enrolment - are consequences used after consideration has been given to all other responses.

## Achievement – Closing the Gap

There is a 2.3% gap in attendance data between Indigenous and Non-Indigenous students. This represents an improvement from 4.2% last year. The increase in the retention gap 5.3 to 11.6%, for Indigenous students moving from Year 10 through to Year 12, is due to 3 students moving into fulltime work prior to the completion of Year 12. During 2014, there was an improvement from 12.6% in Semester 1 to a 5.3% gap in Academic achievement of a C and above for Semester 2.

**Post-school destination information**

At the time of publishing this School Annual Report, the results of the 2014 post-school destinations survey, Next Step – Student Destination Report (2013 Year 12 cohort) for the school were not available. Information about these post-school destinations of our students will be uploaded to the school's website in September.

**Early school leavers information**

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12.

Due to the community's socio-economic circumstances, there is significant movement of students from the school as families move to seek employment opportunities. A small number of students pursue enrolment in other schools or training providers in and around the Gympie community. Any students who seek to change enrolment into another State Secondary School in town are required to have an "Exit Interview" with the school before the transfer of the student is completed.
