Dear Parent/Guardian,

Web based educational resources have grown steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes.

Our school makes decisions about the best technology to meet the learning needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers. James Nash SHS wishes to utilise the third party web based service provider/s listed below to benefit students’ learning. For your student to use the service, the teacher will need to register them as a user. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies that are hosted outside of Australia. Outside of Australia means that data that is entered to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland’s privacy laws. Onshore registration will be subject to Queensland privacy laws. Registration may include disclosing the following information about your student:

- Student Name, and
- Student email

We need your permission for the registration and use of these sites by your student.

Note: It is not compulsory for you to provide this consent – If you decide not to provide consent, this will not adversely affect academic achievement, or any relationships with teachers or the school. It will simply mean that your student will not be able to use this particular computer service at school.

Before you complete this consent form it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks below referring to each website’s terms and conditions and/or privacy policy.

Please read these and ensure that you understand the implications of using this service before giving your consent. If you have any queries around the storage of student’s information, please feel free to contact the Head of Department – Information Technology on 54806333.
