

Investing for Success

**Under this agreement for 2022
James Nash State High School will receive**

\$755,381*

This funding will be used to

- Build the capability of leaders and teachers to enact the precise changes to practice identified through student learning need.
- Support students with the greatest need to remain engaged in learning.
- Support teachers and leaders to focus on the primary work of improving outcomes for students by alleviating administrative tasks from the workload.
- Improve the attendance of students at school.
- Provide facilities that support learning.

Our initiatives include

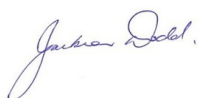

- Subsidising student engagement in Extra-Curricular Programs
- Promoting Staff Wellbeing through a suite of activities and actions including effective communication.
- Provide Faculty Support officers to alleviate staff workload concerns
- Provide staffing to monitor and follow up on attendance
- Provide intensive intervention for students at risk
- Support pilot programs associated with Junior, middle and senior secondary preferred futures
- Professional Learning associated with 6Phase Model for Student learning

**Queensland
Government**
